

Thank you!

Old and new customers, thank you for a great year!

This year we have delivered thousands of books and over 17,000 book accounts have been created.

We are very grateful for the confidence you show us, it inspires us to continue to improve Solentro. Our new book formats Maxi, Square and Panorama, which we launched in November, is a good example of this - they are already a success.

We will continue to improve Solentro in 2010.

Happy New Year from all of us here at Solentro!

PS. Valentine's Day is just around the corner - prepare yourself and make a book for someone you love!
