

We proudly present:

**"Dreamwood"**

Like a fairytale - colourful, imaginative and playful.

**"Arabian Nights"**

With inspiration from the Arabian culture and its marvellous architecture - a breathtaking scene.

We have added new design from our skillful designers! We hope you like their work. It is very easy to change the look of your book even after you have filled it with content. Click on "Choose design" and choose your favourite.

/ Solentro - make your own book

**PS. Thank you for your help with the decision on what type of layout we should use for our new web page, the new site is coming soon... DS.**
