## Everything is moving faster!

It's been a long winter and we are really looking forward to a long and warm summer!

"We loved your site, it's a great idea and very easy to use - thank you!" Claire Mankowitz, London

We are very happy to tell you that **Solentro has grown considerably** since our last newsletter. It's great to know that there are so many people out there who enjoy bringing their stories to life - welcome to Solentro!

Because of this, the speed of the **Solentro** bookmaking-system has been affected. We have therefore worked intensively the last couple of weeks to **improve the speed** - so that as many of you as possible can make your own books without any unnecessary delays - it's just fun and easy!

**We have come a long way and we hope that you enjoy the improvement!** We will of course continue to improve the system...

Also, we appreciate any possible comments, suggestions and/or hopes on improvement!

**Take care!**  
**/Hampus & Tobias Schildfat, brothers and founders**
