Fantastic!

A fantastic, easy way for you to collate a mixture of photographs and stories - a lovely way to make memories :) I made this as a gift for my boyfriends 30th birthday :) Highly recommend if you're looking for something different.

Really pleased with product, service and speed

A much loved uncle died recently after several years with poor quality of health. During this time he strayed from his life long hobby of painting into writing simple poetry. It was his ambition to produce a printed anthology just for his family and friends. Sadly, he died before doing this so, as his niece, I took on that wish. My husband discovered your website and I did the rest. We now have a beautiful book containing all my uncle's poems and a selection of his paintings too. The family are delighted. WELL DONE!

Early Christmas greetings!
