Great Quality, Extremely Happy!

This book was a gift for a friend - it consisted of mainly writing but also a few photos here and there. She was impressed by the book (and so was I!).

The templates on the website were really easy to use and I made a few myself. It's a very simple concept, easy to get the hang of. I ordered the book at the end of November and it arrived in less than 2 weeks. The photos and the text were both high quality and I am very satisfied!

Would 100% recommend.
